CAMPUS INFORMATION

Auraria Campus
CCD’s main Auraria Campus is in the heart of the city and within walking distance of downtown, Larimer Square, the 16th Street Mall, LoDo, the Denver Pavilions, Colorado Convention Center, and the Denver Center for the Performing Arts Complex. The Auraria Campus is close to Sports Authority Field at Mile High (home of the Denver Broncos), Coors Field (home of the Colorado Rockies), the Pepsi Center (home of the NHL Colorado Avalanche and the NBA Nuggets), Elitch Gardens and the Downtown Aquarium.

The Auraria Campus is also home to two four-year universities—Metropolitan State University of Denver and University of Colorado Denver. This unique partnership creates a one-of-a-kind campus experience, allowing CCD students to participate in amazing extracurricular activities and access a university-caliber library, student union, recreation opportunities and more.

Additional Locations
Advanced Manufacturing Center
CCD’s Advanced Manufacturing Center is a 33,000-square-foot facility located seven minutes north of the main campus. The facility supports a fabrication welding, quality assurance, and machine technologies lab.

Center for Health Sciences
CCD’s Health Science educational programs are located at our Lowry facility. Lowry is the site of the former Lowry Air Force Base and all of the buildings utilized by CCD have been totally renovated. Located here is CCD’s dental hygiene program, which houses a community dental clinic as well as the veterinary technology program, which also has a clinic that serves the public. The Lowry location borders Aurora and Denver.

CEC Early College
CCD has an additional location within the CEC Early College, a high school within the Denver Public Schools (D.P.S.) district. Students at the high school can earn dual high school and college credit for CCD classes they take through concurrent enrollment. Nearly 70 concurrent enrollment students completed a certificate or degree in 2018.
