

# ADMISSION INFORMATION

## Admission Policy

CCD has an open-access admission policy and accepts applicants 17 years of age or older. Admission to the college does not guarantee enrollment into a particular course or program. An admission application will remain active for two subsequent semesters after the term indicated on the application. CCD reserves the right to deny admission or continued enrollment to anyone who has misrepresented their credentials or background.

Prior to enrolling at the College, you must complete an application for admission online. Acceptance letters are sent by email or mobile message. .

## Re-Admission (Former Students)

Former students who return after an absence of three consecutive semesters or more must reapply for admission. Re-admitted students will be subject to the requirements of the current catalog.

## Selective Application Procedures

Select programs have a separate application process due to limited space and prerequisites designed to facilitate successful completion. You need to review the program requirements in this catalog and contact the appropriate academic advisor for assistance with selective application procedures.

## Student Identification Number

A state law, initiated in 2003, requires that each Colorado post-secondary institution assign you a unique ID number that cannot be your social security number. This number is the student identification number (SID), which is assigned when you apply to the College. A social security number is required for financial aid, the College Opportunity Fund, VA benefits, and records integrity and tax purposes.

## Underage Admission

Secure a waiver if you are under the age of 17 and meet the following criteria:

- You and a parent must meet with the Associate Dean of Student Success to determine eligibility for admission and appropriateness of course selection, to review college expectations, and to complete the acknowledgment form.
- You must demonstrate readiness for college-level work.
- If you are not in the College Pathways concurrent enrollment program, you must meet with the Associate Dean of the Academic Advising and Student Success Center to determine the appropriate class(es) and get the underage waiver request form.
- Your parent or guardian must sign the acknowledgment form, indicating that your parent has been advised regarding expectations of the college.

You will receive the final request decision from the Associate Dean of the Academic Advising and Student Success Center.

## Denial of Admission
