### Art Education

The Associate of Arts in Art Education is designed to seamlessly transfer to Metro State University Denver's Bachelor of Arts in Art Education program. Through this degree, students will develop foundational skills in visual art, art history, and educational theory, preparing them to inspire and educate future generations. The coursework includes inter-institutional opportunities where students can take Metro State courses at CCD prices, ensuring a smooth and affordable transition. This program allows students to build a strong portfolio while learning how to effectively teach and engage diverse learners in the arts.
