NURSE AIDE

****This program is not eligible for federal student aid.****

The nurse aide certificate prepares you to perform fundamental nursing skills for direct personal care to clients; helping the patient bathe, dress, walk, eat and other daily activities in a long-term facility, hospital or home. The skills are covered in theory, lab and 30 hours of clinical practice.

Clinical practice of nurse aides is regulated by the Colorado Board of Nursing. Colorado has a mandatory Nurse Aide Practice Act, which means that no one may practice as a certified nurse aide without obtaining certification. Students successfully completing the certificate in nurse aide program at CCD are eligible to take the Colorado Nurse Aide Certification Exam.
